# Font software license – Special Terms of Use

For Siemens Professional Fonts and Siemens Global Fonts

## Terms of Use

The use and download of any Siemens corporate fonts, including but not limited to the font families Siemens Professional Fonts, Siemens Global Fonts, Siemens Sans Condensed, (hereinafter the “Siemens Fonts”) and software, information and documentation made available in connection with the Siemens Fonts (hereinafter the “Software and Documentation”) on or via this Siemens Web Site, is subject to the following Special Terms of Use in addition to the /brandville Terms of Use, which can be found on <https://brandville.siemens.com> and on <https://www.siemens.com/global/en/general/terms-of-use.html> and the Cybersecurity Rules for Business Partners, which are attached hereto as Annex 2.

Terms with capital letters shall have the meaning assigned to them in the /brandville Terms of Use unless stipulated otherwise in these Special Terms of Use.

Upon an agreement between Siemens and User concerning grant of a use right to the Siemens Fonts, Siemens grants User a non-exclusive and non-transferable license, which may not be sublicensed,

to use the Siemens Fonts and the Software and Documentation made available to the User on or via the Siemens Web Site for the sole purpose as agreed between Siemens and the User, or in the event of no such agreement to the extent of the purpose intended by Siemens in making available the Siemens Font Software and Documentation. The use of the said Siemens Fonts and Software and Documentation by the User for any other person than Siemens is in any case excluded.

The User will not make or have made, or permit to be made, any copies of the Siemens Fonts or Software and Documentation, or any portions thereof, except such copies as are necessary for the installation and use of the Siemens Fonts Software in accordance with these Special Terms of Use. Any such copies of the Siemens Fonts Software shall contain the same propriety notice which appears on or in the Siemens Fonts Software.

The User must ensure that if the Siemens Fonts are embedded into electronic documents or internet pages, third parties may not be able to use the Siemens Fonts or Software and Documentation to edit or create a new document (read only), e.g.

through extracting the Software and Documentation from the said electronic documents or internet pages.

Furthermore, User agrees not to create derivative works or typefaces based on the Siemens Fonts and Software and Documentation.

Specifically, it is prohibited to change or modify the Font/Trademark names used as identifying tags in the Siemens Fonts or Software and Documentation in any form or manner. The User is not granted any right to use the trademark, whether as word mark or figurative mark, or the name "Siemens".

Siemens retains title and ownership of the Siemens Fonts and Software and Documentation and all subsequent copies of the Siemens Fonts and Software and Documentation, regardless of the form or media in or on which the original and other copies may exist.

The license is effective for three (3) years as of grant thereof, unless previously terminated or otherwise agreed. Siemens has the right to terminate the license immediately without reason. Upon such termination, the User will cease all use of the Siemens Fonts and Software and Documentation, and upon request of Siemens, either destroy or give back all the Software and Documentation and all documents related thereto.

The User agrees to indemnify and hold Siemens harmless from and against any claims or damages which may result from the User's breach of these Special Terms of Use or the /brandville Terms of Use.
